

# DEV BOOTCAMP FOR CODING CHAMPS

The application period has expired.

Astha IT Ventures is one of the oldest and leading software companies in Bangladesh, exporting engineering and product development services to North America, Europe and Australia since 2008. The company has helped the country earn a foreign remittance of over a USD\$100 million in last 12 years. Winner of the top software exporting awards from BASIS in 2013, 2014 and 2020, it is also a group of technology-based startups, aiming to shape up the very foundation of the 21st century Bangladesh.

# WHAT IS IT ABOUT?

Astha IT Dev Bootcamp for Coding Champs is an unique internship program tailored to fresh computer science graduates of our country. So if you just passed out or if this is your last semester – this program is for you.

## WHY ARE WE DOING THIS?

With a few exceptions, we have noticed that a vast majority of our graduates are not industry-ready. Some are very good problem solvers, but do not know anything about tech. Some know tech well, but do not know how to mature as a complete software engineer. Under this ambitious program, we are committed to provide a hands-on, project-based 360-degree training to a group of promising CS graduates.

## WHO IS THIS FOR?

Anyone who eats, drinks and sleeps code – this is for you.

Anyone who wants to be a rockstar developer, that would fit in any world-class software company – this is for you.

# WHAT WILL YOU LEARN?

## Tech

- Advanced HTML
- Advanced CSS
- JavaScript / jQuery
- Advanced C#
- Advanced .NET Core
- Intermediate Angular
- Intermediate React
- Intermediate Flutter

## Software Design & Engineering

- Design Patterns
- Software Architecture
- GIT

## Advanced

- Distributed Programming & Microservices
- Advanced Algorithms

# ELIGIBILITY CRITERIA:

Anyone who just passed or is in the last semester. Enrollment is first come first serve basis. You will have to attend a coding test, with just three problems of varying levels of difficulty. The better you do in the test, the higher is the chance of enrollment.

# BENEFITS:

- Astha IT Ventures will hire some of the best performers once the internship program is completed.
- Astha IT Ventures will help with job placement for the rest of the interns.

# PROGRAM DETAILS:

**Program Length:** 3 months, with 3-4 days of classes per week

**Class Duration:** 1-2 hours maximum

**Number of Seats:** 20 only

**Last Date of Application:** November 8, 2020.

**Program Starts:** November 16, 2020.

Will you have to pay us anything? **NO.**

Will we pay you to attend this internship program? **NO.**

Will you have to work for us during this internship program? **NO.**
